# PROJECT TITLE

Personal Portfolio Website –  
Showcasing Skills and  
Achievements

# AGENDA

1. Problem Statement
2. Project Overview
3. End Users
4. Tools and Technologies
5. Portfolio design and Layout
6. Features and Functionality
7. Results and Screenshots
8. Conclusion
9. Github Link

# PROBLEM STATEMENT

- In today's digital era, having an online presence is essential for students and professionals. A well-structured portfolio helps to showcase skills, education, and achievements to potential employers and collaborators. Without a portfolio, opportunities may be missed as there is no centralized platform to demonstrate one's expertise and projects.

# PROJECT OVERVIEW

- *This project is a personal Portfolio Website designed and developed by Nandha Kumar.*
- *It highlights my skills, education, projects, and achievements in a visually appealing and interactive format.*
- *The goal is to provide recruiters, peers, and professionals with an overview of my abilities and accomplishments in the field of software development and web technologies.*

# WHO ARE THE END USERS?

- **Recruiters & Hiring Managers** – to evaluate my skills and experience.
- **Peers & Collaborators** – to connect for projects, hackathons, or open-source contributions.
- **Faculty & Mentors** – to assess my learning journey and growth.
- **General Audience** – anyone interested in exploring my work and achievements.

# TOOLS AND TECHNIQUES

**Frontend: HTML, CSS, JavaScript**

**Programming Languages: C, C++**

**Design: Responsive Web Design principles, modern UI layouts**

**Database Knowledge: Basic MySQL (future expansion for dynamic portfolio)**

**Other Tools: VS Code, GitHub for version control**

# POTFOLIO DESIGN AND LAYOUT

The portfolio follows a clean, modern, and responsive layout with the following sections:

1. Home/About Me – Introduction and personal summary
2. Skills – Technical expertise with icons and highlights
3. Education – Academic background and learning highlights
4. Projects – Showcasing completed projects with descriptions
5. Achievements – Certifications, competitions, and milestones
6. Contact – Links to email and social profiles

# FEATURES AND FUNCTIONALITY

# RESULTS AND SCREENSHOTS

A screenshot of the Untitled web editor interface. The top bar shows the title 'Untitled' and the user name 'NANDHA KUMAR kasc...'. Below the title bar are tabs for 'HTML', 'CSS', 'JS', and 'Result'. The 'HTML' tab is selected, and the code editor displays the following HTML code:

```
<!DOCTYPE html>

<html lang="en">
```

A screenshot of the Untitled web editor interface. The top bar shows the title 'Untitled' and the user name 'NANDHA KUMAR kasc...'. Below the title bar are tabs for 'HTML', 'CSS', 'JS', and 'Result'. The 'CSS' tab is selected, and the code editor displays the following CSS code:

```
/* General Styling */

body {

    font-family: 'Segoe UI', Tahoma, Geneva, Verdana,
    sans-serif;

    margin: 0;

    padding: 0;

    background: #f9fafc;
```

```
function showMessage() {
    document.getElementById('message').style.display =
    'block';
}
```

# CONCLUSION

**This portfolio project helped me apply my knowledge of HTML, CSS, and JavaScript while improving my design and problem-solving skills.**

**It serves as a foundation for my professional career and will be continuously updated with new projects, skills, and achievements.**

**The project not only strengthens my web development expertise but also acts as a gateway for opportunities in internships and future employment.**
